Mr. Anthony V. Sblendorio
Back to Nature
152 Oldwick Road, PO Box 153
Oldwick, NJ 08858

Dear Anthony,

On behalf of the people of Long Hill Township, and particularly the Millington Fire Company, I'd like to offer my sincere thanks for your donation to us of the historic Millington fire truck. The 1937 fire truck served the people of Long Hill Township until 1969, when it was retired and stored in a barn in Delaware Township. Your discovery of the fire truck on one of the properties your company owns and willingness to share it with us is a testament to your commitment to doing the right thing for the people of New Jersey.

One of my main goals as Mayor of Long Hill Township is to bring people together for special events. The donation of the Millington fire truck was cause for celebration in Long Hill, and we held a successful community event on October 21, 2006 for the unveiling of the truck. Volunteers worked day and night to get the truck in working order for the celebration. Your donation provided us with a wonderful opportunity for community engagement.

Again, thank you for your thoughtful donation to our township.

Sincerely,

Gina Genovese
Mayor, Long Hill Township
